

December 29, 2017

With great enthusiasm, Smart Lighting Solutions and Don Blackburn & Associates announces the combining of our agencies in the North Georgia and South Georgia markets.

Our unified team, with offices in metro Atlanta and Forsyth, will provide resources for distributors, contractors, and specifiers at a level that is unmatched in the marketplace. Management, sales personnel and service associates for both agencies will remain in place, and teams in both locations will benefit from an expanded line card of manufacturers.

Contact information:

Smart Lighting Solutions (Greater Atlanta)  
3550 Corporate Way  
Duluth, GA 30096
